- Over Decking
- Commercial

Lifestyle EDEN 40mm. With a rich and inviting blend of brown tones, EDEN exudes warmth and authenticity, mirroring the appearance of a naturally flourishing lawn. The 40mm height adds a luxurious dimension, providing a plush and comforting feel underfoot. This artificial turf is meticulously designed to seamlessly integrate with its surroundings, creating a harmonious and earthy ambiance.

Our turf features innovative new technology that ensures full permeability, allowing water to drain efficiently through the surface, eliminating pooling and keeping the area dry and usable in all weather conditions.

CoolTouch™ equipped means the LEISURE Series is consistently cooler to touch, making it exceptional for those hot Kiwi Summer's. The LEISURE Series has a high stitch rate, making it a lush, soft and comfortable surface.
